ABOUT ME

I'm Francisco, I'm 23 years old and I'm in the last year of the Degree in Computer Engineering at the University of Madeira. Throughout my degree I was able to learn several programming languages, which allowed me to understand how different technologies and programming languages connect with each other. I consider myself a professional with good communication skills, persistent, motivated, who l oves new challenges and loves to learn new technologies.

WORK EXPERIENCE

03/2022 – CURRENT – Funchal, Madeira, Portugal

Software developer

Nearsoft Solutions - Curricular Internship

Development of specific web channels for user registration with interfaces for some types of business.

01/07/2021 – 30/07/2021 – Funchal, Madeira, Portugal

Summer Internship

David Aveiro - ITI (Interactive Tecnologies Institute)

In this internship I worked on the development of programming features in components of the Dynamic Information System Modeller and Executer (DISME) platform using technologies like Laravel (PHP) and Angular (TypeScript), under supervision of David Aveiro (PhD), promoted by the ITI/ARDITI/UMa business engineering laboratory.
